

# New Eden

Matejic Marko – Stojkovic Radmila – Petrovic Dragana

# The Book of Genesis

# In the beginning God created heaven and earth

tradition  
recreation  
education  
exhibition

Is over office building, bussiness

Clubs and restaurants, entertainment

Usce tower, bussiness

Junction of Sava and Danube river

Museum of contemporary art

Belgrade fort, history

Bicycle track, recreation

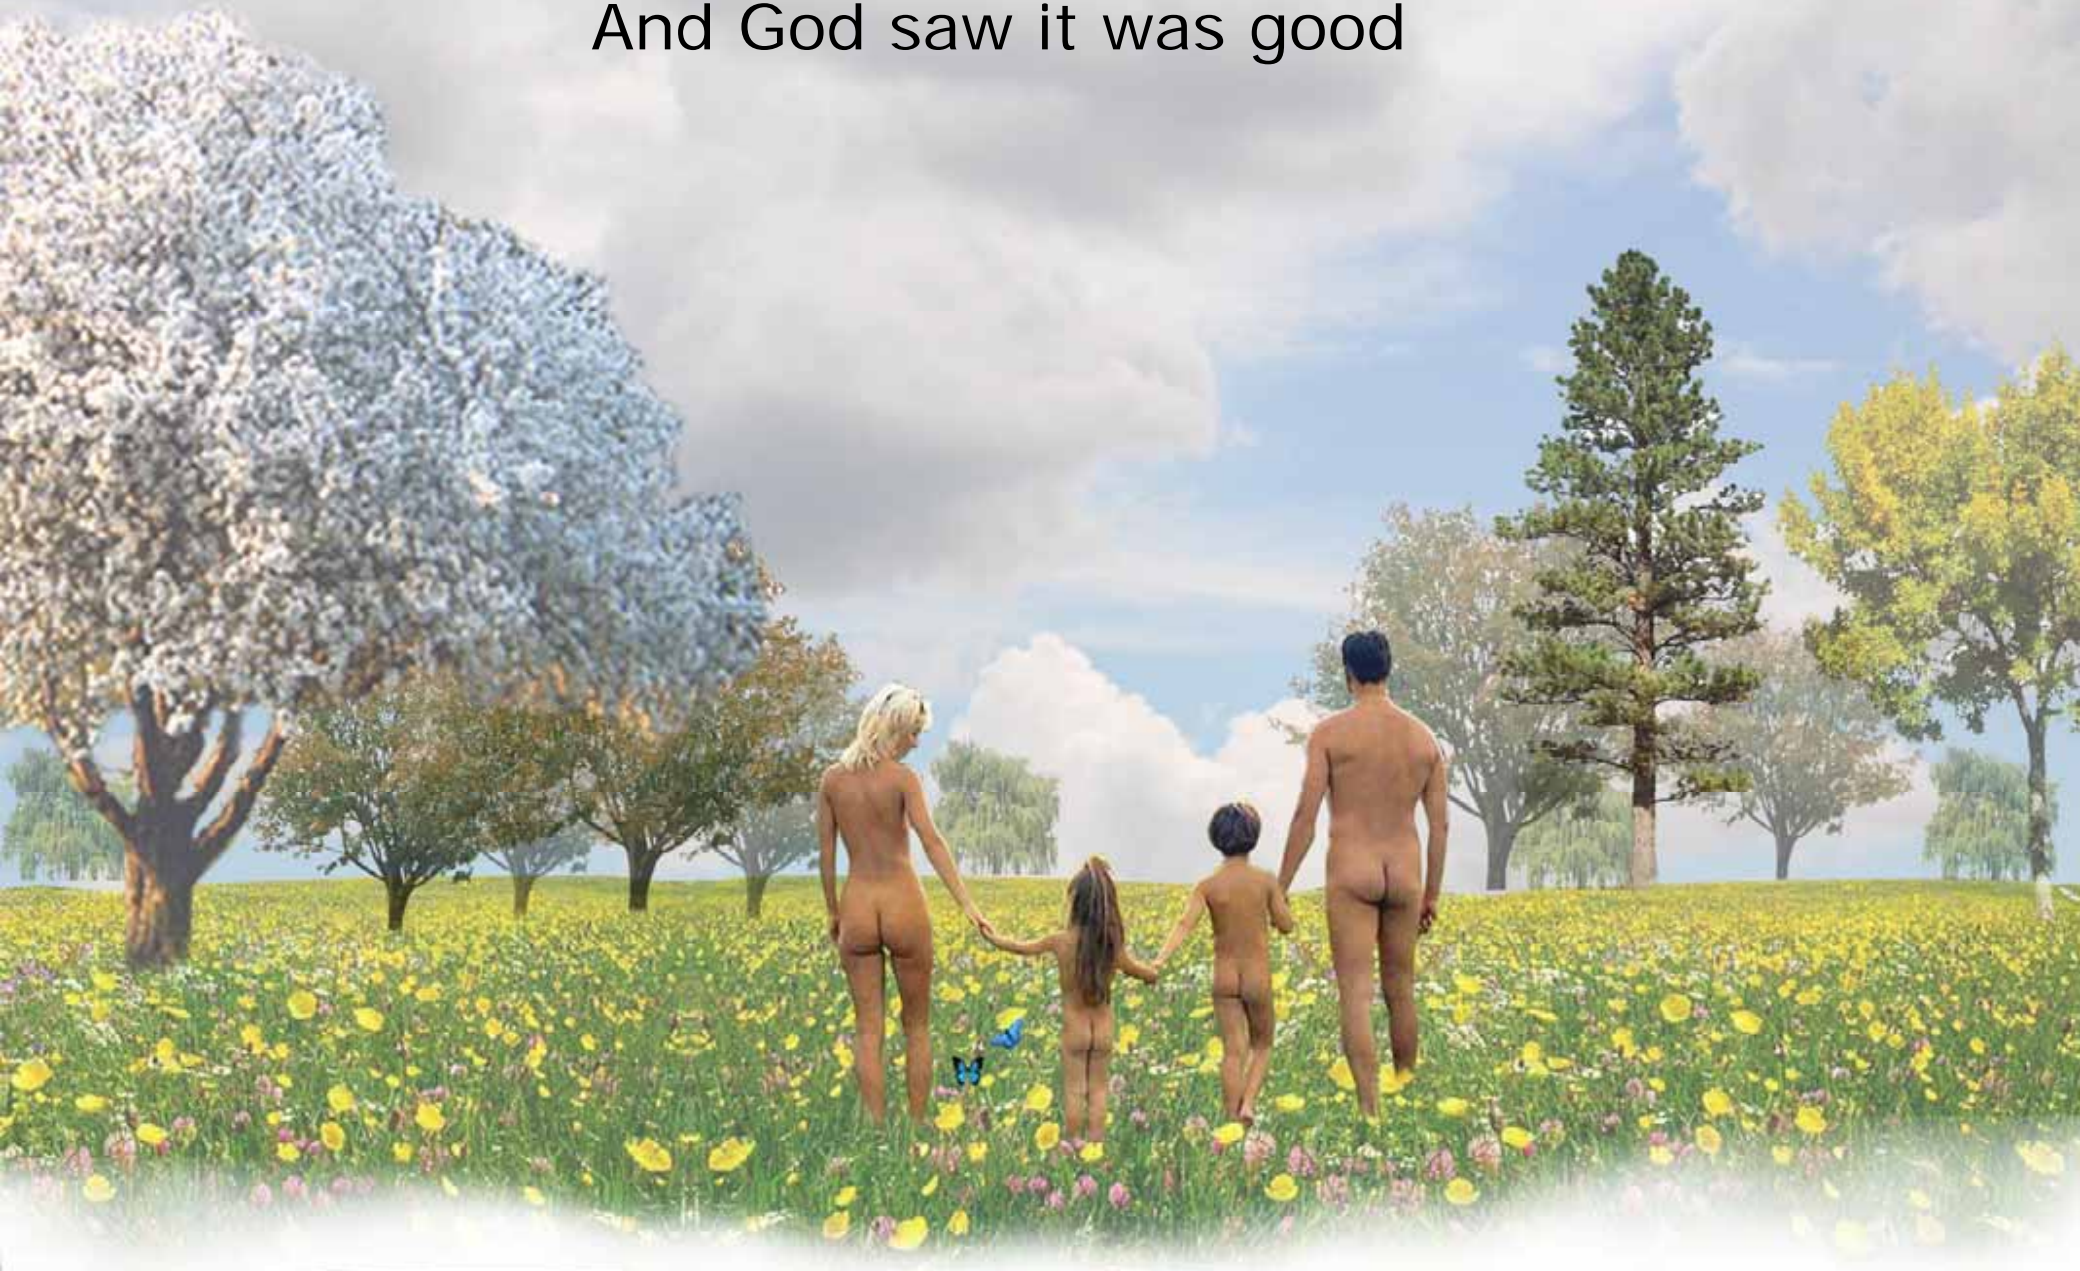

And they were naked and they were  
not ashamed

And God said: it's not good for human  
to be alone, let me make a friend in  
his image. And God created a women

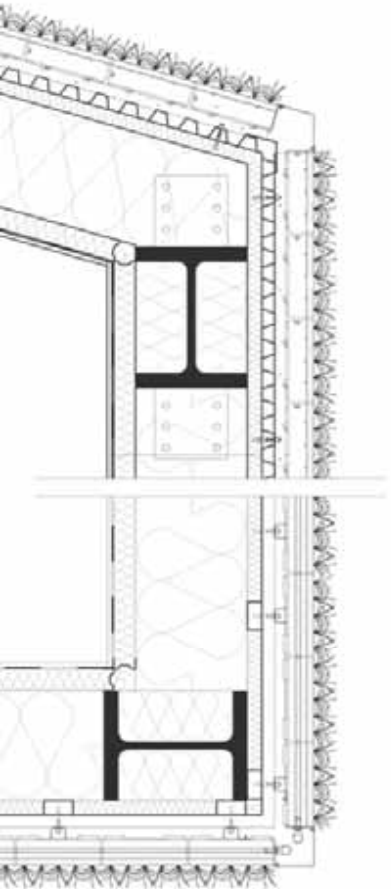

And God bless them and said: give birth to children  
And God saw it was good

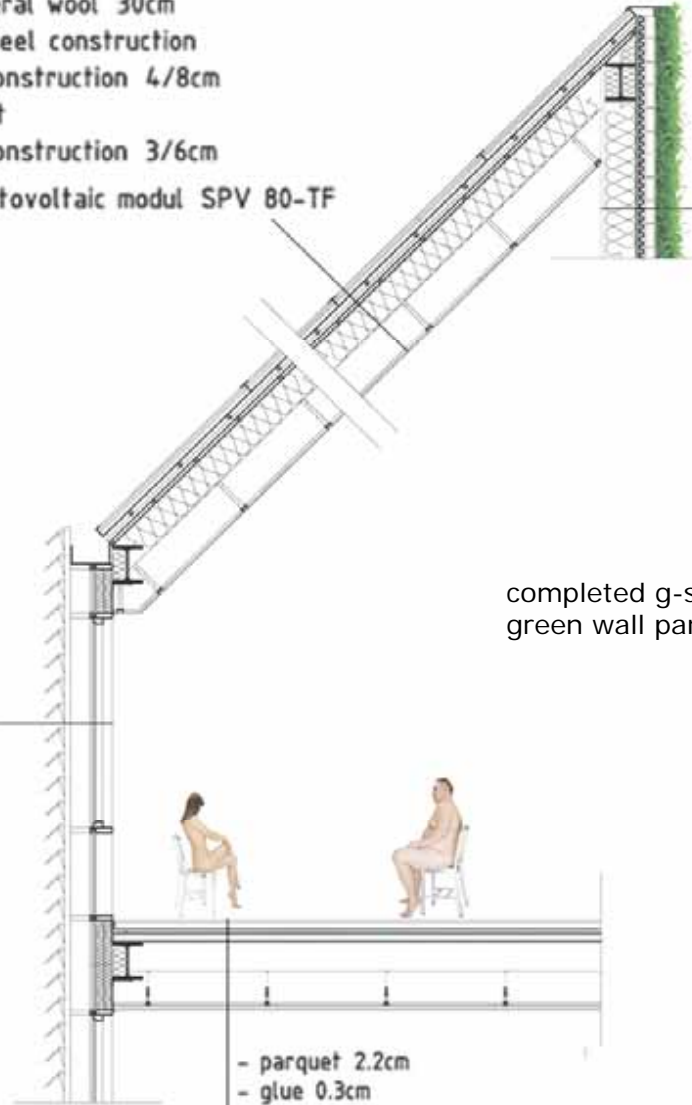

- gypsum cardboard 1.25cm
- steel subconstruction 3/6cm
- Vario KM Duplex vapour barrier
- Isover mineral wool 30cm between steel construction
- steel subconstruction 4/8cm
- metal sheet
- steel subconstruction 3/6cm
- schüco photovoltaic modul SPV 80-TF

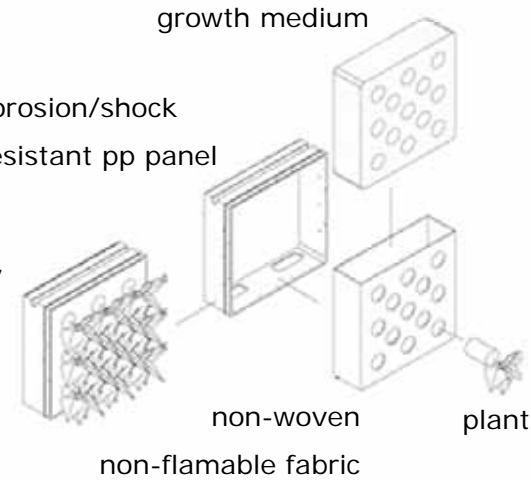

- Rigips gypsum cardboard 1.25cm
- Vario KM Duplex vapour barrier
- Isover mineral wool 6cm between rigips vertical profile CW
- Isover mineral wool 30cm between steel construction
- Isover mineral wool 4cm between steel subconstruction, U-profile 4/8cm
- metal sheet
- G-Sky stainless steel subconstruction
- G-Sky green wall panels

- schüco FW50+HI
- active glass louvre blade

- parquet 2.2cm
